

# 2014 New Products

**sparco®**

The Sparco logo features the word "sparco" in a bold, lowercase, sans-serif typeface. A registered trademark symbol (®) is positioned at the top right of the final "o". Below the text, a thick horizontal bar spans the width of the letters, with a vertical line segment intersecting it under the "p".

**OFFICIAL SUPPLIER OF YOUR PASSION**

3 years ago Sparco set itself ambitious targets, trying to realize a revolutionary project with the highest technological innovation.

**We did it finally,**

**And we have a name for this project:**

# Hocotex® project

- ✓ **Ho.Co.Tex.** = It is the anagram of: **Honey Comb Textile**
- ✓ **Sparco opens a new era for the racing suit.**
- ✓ **We are the only Company to have this tecnology**
- ✓ Technology **100%made in Italy** (patent pending)
- ✓ **A single layer, NOT 3 layers like the standard racing suit**
- ✓ 3 times more breathable thanks to the honey comb technology: more than 60 thousand micro-cells to guarantee more protection to the driver.

# Extrema RS-10: the future is here
